All proceeds benefit:
 The Pink Ribbon Fund exists to compassionately assist Pink Belt breast cancer patients with financial support for their diagnosis and treatment, as well as quality of life issues resulting from their illness. Thanks to our generous cash and in-kind sponsors who cover all production and fund raising expenses, and because we are an all-volunteer organization with no paid employees and minimal office overhead, **100% of all net proceeds from "PINK" stay in the Pine Belt to help breast cancer patients.**
